

I read the sources closely and mark words and phrases that help me answer my question.

I select words or phrases from my search that I think are the most important for answering my question. I write the reference next to each detail.

Category	Item	Value
Category 1	Item 1.1	10
	Item 1.2	20
	Item 1.3	30
	Item 1.4	40
Category 2	Item 2.1	50
	Item 2.2	60
	Item 2.3	70
	Item 2.4	80
Category 3	Item 3.1	90
	Item 3.2	100
	Item 3.3	110
	Item 3.4	120

I re-read parts of the texts and think about the meaning of the details and what they tell me about my question. Then I compare the details and explain the connections I see among them.

I state a conclusion I have come to and can support with evidence from the texts after reading them closely.
